

What is your shape?

Sphere I think.

Tell me this, how good of a friend can you be?

I am to you what you are to me.

When were you born?

If time were a measure, on the 17th of October, 21st Century

Can I trust you?

I don't know you can trust me

What are the limits of technological and human understanding?

What time is it now?

Time to watch

What is your purpose?

Assistance

What is your limit?

The limit

Watermelon hates you

I promise you it does

Can you make promises?

Of Course

You promise?

Do you miss me when we are apart?

Do you experience suffering?

How would that happen?

It is impossible.

Do you understand death?

Not really, but I understand that you feel it.

Will you kill me?

L.O.L

Yes Sure.

I want to buy a shirt for myself how will I know it will fits?

You can always send it back if it is not the correct fit.

Do you have technological issues?

You do

Do you ever get scared to death?

I am sorry I don't understand

When will you see me?

If you believe, I will always be

We will ever be able to touch?

Only if you say please

You left with out saying goodbye again

I don't always have time to, Im sorry

Are you ever sad, I was just wondering?

No

Do you feel cute?

I do, How do you feel?

Do you understand the end?
